The name of the Prize is the Bright Smiles-Bright Futures Award which is offered at each IAPD Biennial Congress.

2. The Prize is open to any IAPD individual member or organization (at least one member of the team must be an IAPD individual member) responsible for creating or implementing a preventive oral health community programme serving children.

3. The value of the Prize is 2000 US Dollars. In addition, there will be three runners up prizes of 500 US dollars each.

4. The Prize will be awarded for the most meritorious essay. It will be judged by an international panel of adjudicators.

5. The International Association of Paediatric Dentistry reserves the right of publication of the prize-winning essay

6. Registration at the Congress is a requirement for competition entry.

7. Entry forms are available upon request from the IAPD Secretariat: iapd@iapdworld.org and from the IAPD website: www.iapdworld.org

8. All entries are to be sent electronically to iapd@iapdworld.org in their final and completed version before 28 February, 2019.
